A BIT OF WEB INTERACTIVE

We are a digital creative, website and brand development agency based in Nairobi, Kenya.

We create brand identity, bespoke websites and mobile applications that empower individuals, start-ups and small business clients that help them grow their digital online presence at an affordable cost.

"The experience we had with Web Interactive was simply amazing. They are professional and timely delivery. Above all very affordable. I reccomend any individual or start-up looking for digital presence to try them."

- Catherine Njoki, Bright Ideas Marketing Agency
